SAVE MORE. SMILE MORE.

When you're paying out of pocket for your dental care, it can be tempting to postpone checkups, skip cleanings - even ignore potentially serious dental issues. That's why we've developed an exclusive plan to help our patients stay on top of their dental health.

The Reveal Dental Plan is an annual enrollment program that includes a year's worth of exams (even one emergency visit), cleanings, X-rays, and fluoride treatments at a savings of more than 55 percent for adults, and more than 60 percent for kids. In addition, you'll receive 20 percent off all other dental treatments completed within 12 months of enrollment, including many cosmetic and complex procedures not typically covered by insurance.

Ask about the Reveal Dental Plan when you schedule your next appointment, and start saving (and smiling) right away!
